Zoo Rental Cost Guidelines

FIXED COSTS:

- **Reservation deposit** of \$500 minimum is required to reserve the facility. This deposit will be applied to the final rental cost.
- **Basic cost** is \$1000 for events for groups up to 100 people and that end by 10:00 p.m. There is an additional charge of \$5 per guest for groups larger than 100. Events running beyond 10:00 p.m. may have an additional cost.
- **Venue.** The client is to choose one of many venues available within the zoo with the understanding that other events may be held simultaneously utilizing other zoo venues. The client's reservation reserves the chosen venue but does not provide for exclusivity of the whole zoo or the viewing of exhibit animals. A total zoo buy can be arranged for an additional fee.
- **Weather.** In the event of inclement weather the client must assume weather risks and possible event postponement or cancellation. RPZS will make every effort to reschedule an event that is cancelled due to weather-related issues but makes no guarantees in availability of facility.
- **Facility Lighting.** Only event areas are lighted after dark unless special arrangements have been made. Additional lighting can be provided at additional costs. Note that there are essentially no indoor spaces available, so client must assume weather risks.
- **Animal Access.** Animals are given access to exhibit spaces as well as night quarters during evening rentals. Their visibility is not guaranteed.
- **Set-up** of the facility may start when the Zoo closes at 4:00 p.m. and after regular Zoo visitors have exited the facility. With special arrangements, earlier set-up can sometimes be accommodated.

Client is responsible for set-up, break-down and clean-up including tables, chairs, linens etc. All break down and clean up must be completed before 9:00 a.m. the following morning. Otherwise, the client will be billed at \$25 per person-per hour for these services.
- **Alcoholic** beverages must be served by Service Systems Associates, who holds the liquor license for the facility. There will be a **\$100 set-up charge** for each bar and a \$75 charge for each bartender. The bar can be operated as a cash bar or as a hosted bar. If not on a cash basis, drink tickets may be used to determine consumption and variable costs, or a per-person cost may be used.
- **A clean-up fee** of \$250 may be enforced in the event the facility is not returned to the Society at the end of the event in its original condition, less normal wear.
- **The Balance** is due upon receipt of invoices. Depending on the event, additional payments may be required in advance. Final payment will be due after the event and on presentation of final invoice.
