

Providing treatment to a tiger at Reid Park Zoo's current veterinary clinic -- Dr. Alexis Moreno, DVM (foreground) attended by Veterinary Assistants and Zoo Keeper Staff.

**Architect's Renderings of the
New Animal Health Center at Reid Park Zoo**

*Exterior - remodeled existing clinic on right
connects with 5,000 sq ft addition*

*Spacious treatment area is viewable from classroom
located behind glass windows*

Classroom allows students of all ages to learn about animal health and observe procedures in treatment, surgery and lab.
