#### Lost Children:

Please use the front plaza as the location to reunite with your group if you become separated. Cashiers can assist by notifying staff to locate the missing person. Please instruct children to not leave the Zoo on their own.

Reid Park Zoo is home to several hundred animals - from huge elephants to tiny birds! Sometimes our animals are off exhibit for veterinary care, habitat maintenance, or training and we appreciate your understanding in this matter. Please help us in protecting the Zoo by reporting any animal or visitor issues. Please go to the front gate or call (520) 791-4760.
