# BIRTHDAY FAQ'S

To save you some time, we have included a list of answers to our most frequently asked questions.  
Email: [reidparkzoocatering@kmssa.com](mailto:reidparkzoocatering@kmssa.com) for more details.

## Is there a zoo member discount?

- Yes, if you are a current Zoo Member, then we can discount your total invoice by 10%.

## Can I remove an item (s) from the base package?

- You may remove whatever items you wish; however, the price will not change and the value of those items cannot be put towards something else.

## Does the base package's 'per guest' price apply to both children and adults?

- Yes, the price applies to any guests 2 years of age & older.

## What happens on the day of my party? What do my guests say or do?

- Your guests simply approach any open gate (they must wait in line if there is a line) and announce that they are with your party. They are counted by the gate attendant, and then welcomed in (nobody in your group pays to enter). They are free to roam the zoo at their leisure, but all guests must be in the "party area" promptly at your party's start time.

## What furniture & decorations are included?

- Each party comes with tables & chairs to accommodate up to 25 or 75 people (depending upon location). Parties over 75 people may require additional seating and incur additional charges. We provide linens for the buffet & beverage areas, and also for the gift table. You may bring a banner, and we can help you hang it, otherwise the Zoo keeps décor strictly limited for the safety of our animal collection. Any personal decorations must be pre-approved by your birthday coordinator.

## Can I bring food in, or take food out of the Zoo?

- No outside food is allowed in the Zoo. The only exception to this rule is with a birthday cake—and only in conjunction with a scheduled birthday party. We can hold your cake for you, when you arrive at the zoo until your party time, and can hold it after your party until the end of that day so you may enjoy the Zoo. Taking food outside is not allowed for liability reasons.

## What is a typical party schedule like?

- The party starts promptly at your contracted start time, with your guests enjoying unlimited food & beverages for the 1<sup>st</sup> full hour of your party time. Beverage service goes for the duration of your party (1.5 hours total). Your hostess will coordinate cupcake (and cake) presentation with you based upon whether or not you have an Animal Encounter scheduled. (Information on Animal Encounters is below).

## What is an Animal Encounter?

- One of the Zoo's Animal Ambassadors from the Reid Park Zoo Education Department, comes to your party for 30 minutes to conduct a live animal presentation. There's always more than one animal "friend" for you and your guests to learn about. These party additions must be scheduled separately—and booked at least 2 weeks in advance. Animal Encounters are \$65 for groups of 50 or less. (please call 520.837.8200 for further information). You cannot book an Animal Encounter until your party has been confirmed through the Catering Department.

## What is the cancellation policy?

- Your party is scheduled in an outdoor space. While there is some natural shading, patio umbrellas and a party tent (over the food & beverages only) in the party area, we have no options to move the party inside due to heat or inclement weather. Please consider this policy before booking. You are welcome to come see the event space before booking (with prior approval). If it rains on the day of your party, we can try to move your party inside the Café—however we can make no guarantees. Please email: [reidparkzoocatering@kmssa.com](mailto:reidparkzoocatering@kmssa.com) for further details.
