BIRTHDAY FAQ's

To save you some time, we have included a list of answers to some of our most frequently asked questions.

Email: tklipfel@craftculinary.com for more details

IS THERE A MAXIMUM OR MINIMUM GUEST COUNT?

Yes! There is party minimum of 15 guests. You may have less than 15 attendees, but you will still be billed for a total of 15 guests. We have seating for up to 60 guests. Additional guests may be accommodated with at least 2 weeks notice.

WHAT IS THE ZOO MEMBER DISCOUNT?

If you are a current Zoo Member, you receive a 10% discount on the food & beverages for your party (excludes party setup fee).

CAN I REMOVE ITEMS FROM THE BASE PACKAGE?

You may remove any items that you wish to, however the price will not change and the value of those items cannot be put towards any other items.

DOES THE BASE PACKAGE'S "PER GUEST" PRICE APPLY TO BOTH CHILDREN AND ADULTS?

Yes, the price applies to any guests 2 years of age and older.

WHAT HAPPENS ON THE DAY OF MY PARTY? WHAT DO MY GUESTS SAY OR DO?

Your guests simply approach any open gate (they must wait in line if there is a line) and announce that they are with your party. They are counted by the gate attendant, then welcomed in (nobody in your group pays to enter). They are free to roam the zoo at their leisure, but all guests must be in the "party area" promptly at your party's start time.

WHAT FURNITURE & DECORATIONS ARE INCLUDED?

Each party comes with tables & chairs to accommodate up to 60 people. Parties over 60 may require additional seating & incur additional charges. We provide linens for the buffet & beverage areas, and also for the gift table. You may bring a banner, and we can help you hang it, otherwise the Zoo keeps décor strictly limited for the safety of our animal collection. Any personal decorations must be pre-approved by your birthday coordinator.

CAN I BRING FOOD IN, OR TAKE FOOD OUT OF THE ZOO?

No outside food is allowed in the Zoo. The only exception to this rule is with a birthday cake—and only in conjunction with a scheduled birthday party. We can hold your cake for you, when you arrive at the zoo until your party time, and can hold it after your party until the end of that day so you may enjoy the Zoo. Taking food outside is not allowed for liability reasons.

WHAT IS A TYPICAL PARTY SCHEDULE LIKE?

The party starts promptly at your contracted start time, with your guests enjoying unlimited food & beverages for the 1st full hour of your party time. Beverage service goes for the duration of your party (1.5 hours total). Your hostess will coordinate cupcake (and cake) presentation with you based upon whether or not you have an Animal Encounter scheduled. (Information on Animal Encounters is below).

WHAT IS AN ANIMAL ENCOUNTER?

Add an animal encounter to your child's birthday party at the Zoo! During this 30 minute experience, in one of the Zoo's private classrooms, your birthday child and their guests will meet several of the Zoo's animal ambassadors. ***Please note that the Animal Encounters are not guaranteed, and all submissions for Animal Encounters are only inquiries until confirmed through the Education Department. These encounters are scheduled on availability—through the Education Department, and times are extremely limited.

Please call 520.837.8200 for more information.

WHAT IS THE CANCELLATION POLICY?

Your party is scheduled in an outdoor space. Please consider this before booking. You are welcome to come see the event space before booking (with prior approval). If a cancellation must occur—you can reapply your deposit to a different date (we will hold your deposit for up to a year).
